[D] / [D] / [D] / [D]

When **[D]** life seems full, of clouds and rain
[G] And I'm full, of nothin' but pain
[A] Who soothes my thumpin', bumpin' brain?
[D] Nobody **[D]**

When **[D]** wintertime comes, with its snow and sleet
[G] And me with hunger, and cold feet
[A] Who says "Here's two bits, go and eat"?
[D] Nobody **[D]**

Well **[A]** I, ain't never done nothin' to **[D]** no-**[D]**body
[A] I, ain't never got nothin' from **[D]** nobody, no time
[A] And, until I get somethin' from **[D]** somebody, sometime
I **[D]** don't, intend to **[G]** do nothin' for no-**[E7]**body **[A]** no **[D]** time **[D] / [D]**

When **[D]** summertime comes, all warm and clear
[G] And my friends see me, drawin' near
[A] Who says "come on in, and have a beer"?
[D] Nobody **[D]**

Well **[D]** one time when things was, lookin' bright
[G] I started to whittlin' on a stick one night
[A] Who said "Hey! That's dynamite!"?
[D] Nobody **[D]**

Mmmm **[A]** I, ain't never done nothin' to **[D]** no-**[D]**body
[A] I, ain't never got nothin' from **[D]** nobody, no time
[A] And, until I get somethin' from **[D]** somebody, sometime
I **[D]** don't intend to **[G]** do nothin' for no-**[E7]**body **[A]** no **[D]** time

[A] I, ain't never done nothin' to **[D]** no-**[D]**body
[A] I, ain't never got nothin' from **[D]** nobody, no time
[A] And, until I get somethin' from **[D]** somebody, sometime
I **[D]** don't intend to **[G]** do nothin' for no-**[E7]**body **[A]** no **[D]** time **[D]↓[A]↓[D]↓**
