

Only The Lonely

Martha Davis 1980 (as recorded by The Motels)

INTRO: / 1 2 3 4 / [G] / [G] / [G] / [G]

We [G] walked, the loneliest mile
We [Em] smile, without any style
We [C] kiss altogether wrong
No in-[G]tention [G]

We [G] lie, about each other's drinks
We [Em] live, without each other thinking
What [C] anyone would do [C]
Without [G] me and you [G]

CHORUS:

It's like I [D] told you
[C] Only the lonely can [G] play [G]

So [G] hold on, here we go
[Em] Hold on, to nothin' we know
I [C] feel so lone-[C]ly
Way up [G] here [G]

You [G] mention, the time we were together
[Em] ... So [Em] long ago, well I [C] don't remember
[C] All I know is it [G] makes me feel good now

CHORUS:

It's like I [D] told you
[C] Only the lonely can [G] play [G]
Only the [D] lonely
[C] Only the lonely can [G] play [G]
