I [D] wonder if we could take a [G] spin in the car
[A] Out to Saint Kilda's, to the [D] cafés and bars
[D] We'll promenade, by the [G] side of the sea
Miss [A] Hawkins, come walkin' with [D] me

I'll [D] take you to dinner at a [G] quarter to nine
Two [A] burgers from Danny's will [D] do us just fine
Then a [D] Kitchener bun, and a [G] nice cup of tea
Miss [A] Hawkins, come walking with [D] me

CHORUS:

There's a [D] moon over Melbourne and it's [G] shining so bright
And the [A] river's a sliver of [D] silvery light
We'll [D] stroll arm in arm and take [G] in all the sights
There's a [A] moon over Melbourne to-[D]night

A [D] wander on Rathdowne, now [G] that would be nice
A [A] latte, in a café, with I-[D]talian ice
There's [D] no place on earth, that [G] I'd rather be
Miss [A] Hawkins, come walking with [D] me

CHORUS:

There's a [D] moon over Melbourne and it's [G] shining so bright
And the [A] river's a sliver of [D] silvery light
