INTRO: / 1 2 / 1 2 / [D] / [D] / [D]

Fare thee [D] well love, fare thee well love

Far a-[G]way, you must [D] go

[A7] Take my [D] heart love, take your heart love

[G] Will we [D] never meet, [A7] again no [D] more [G] / [D]

[A7] Far a-[D] cross love, far across love

O'er the [G] mountains and country [D] wide

[A7] Take my [D] heart love, take my heart love

[G] No one [D] knows, [A7] the tears I've [D] cried [G] / [D] [A7]

[D] So I'll [A7] drink to-[D]day love, I'll sing to [A] you love

In [F#m] paupers [Bm] glor-[G]y my time I'll [D] bide

No [G] home or [A7] ties love, a [F#] restless [Bm] ro-[G]ver

If [G] I can't [D] have you, [A7] by my [D] side [G] / [D]

[A7] Oh come [D] back love, oh come back love

The sun and [G] moon refuse to [D] shine

[A7] Since I've [D] gone love, gone away love

This [G] lonely [D] girl has had [A7] no peace of [D] mind

[D] So I'll [A7] drink to-[D]day love, I'll sing to [A] you love

In [F#m] paupers [Bm] glor-[G]y my time I'll [D] bide

No [G] home or [A7] ties love, a [F#] restless [Bm] ro-[G]ver

If [G] I can't [D] have you, [A7] by my [D] side [G] / [D]

Fare thee [D] well love, fare thee well love

Fare thee well, fare thee well

Far a-[G]way, you must [D] go

Far away, you must go

[A7] Take my [D] heart love, take your heart love

Take my heart, take your heart

[G] Will we [D] never meet, [A7] again no [D] more [G] / [D]

[G] Will we [D] never meet, [A7] again no [D] more [G] / [D]↓
