

House At Pooh Corner

Kenny Loggins (recorded by Loggins and Messina 1971)

INTRO: / 1 2 3 4 / [G] / [G] /

[G] Christopher [Am] Robin and [Bm] I walked a-[Em]long
Under [C] branches lit [D] up by the [G] moon
[G] Posing our [Am] questions to [Bm] Owl and Ee-[Em]yore
As our [C] days disap-[D]peared all too [G] soon
But I've [Em] wandered much further to-[Bm]day than I should
And I [C] can't seem to find my way [D] back to the [D7] wood

CHORUS:

So [G] help me [Bm] if you [Am] can, I've [D] got to get
[G] Back to the [Bm] house at Pooh [Am] Corner by [D] one
[G] You'd be sur-[Bm]prised, there's so [Am] much to be [D] done
[Bm] Count all the bees in the [Em] hive
[Bm] Chase all the clouds from the [Em] sky

(chase the clouds a-

[C]↓ Back to the [D]↓ days of [Em] Christopher Robin and [F] Pooh [F]
way)

[G] Winnie the [Am] Pooh doesn't [Bm] know what to [Em] do
Got a [C] honey jar [D] stuck on his [G] nose
[G] He came to [Am] me asking [Bm] help and ad-[Em]vice
And from [C] here no one [D] knows where he [G] goes
So I [Em] sent him to ask of the [Bm] owl if he's there
How to [C] loosen a jar from the [D] nose of a [D7] bear

CHORUS:

So [G] help me [Bm] if you [Am] can, I've [D] got to get
[G] Back to the [Bm] house at Pooh [Am] Corner by [D] one
[G] You'd be sur-[Bm]prised, there's so [Am] much to be [D] done
[Bm] Count all the bees in the [Em] hive
[Bm] Chase all the clouds from the [Em] sky

(chase the clouds a-
