Fiftymen 2002

INTRO: / 1 2 3 4 / [G] / [G]

She [G] said I was laconic, I said [C] have a gin and tonic girl
And [G] I thought she should run along and [D] play
[G] Said that I was cursed, but I [C] think it would be worse
If [G] she heard what [D] I had to [G] say

CHORUS:

She's [G] living large in Gracefield, in the [C] summertime it's grand
[G] Soaking up the sunshine by the [D] water on the sand
[G] Living large in Gracefield, as [C] wild as she can be
But [G] when the summer's over, man, she'll [D] come on home to [G] me [G]

She [G] said that I was snappy, and while that [C] didn't make me happy
It [G] didn't give me cause to com-[D]plain
She [G] said that I was curt, now [C] I'll admit that hurt
But [G] I have my com-[D]posure to main-[G]tain

CHORUS:

She's [G] living large in Gracefield, in the [C] summertime it's grand
[G] Soaking up the sunshine by the [D] water on the sand
[G] Living large in Gracefield, as [C] wild as she can be
But [G] when the summer's over, man, she'll [D] come on home to [G] me

BRIDGE:

And I'll take her [Em] back, like I did last [C] fall
I'll take her [G] back, corn-rowed hair and [D] all

INSTRUMENTAL:

And I'll take her [Em] back, like I did last [C] fall
I'll take her [G] back, corn-rowed hair and [D] all
And I'll take her [Em] back, like I did last [C] fall
I'll take her [G] back, corn-rowed hair and [D] all

Now I've [G] talked all summer long, about [C] women, wine and song
[G] Even though there's no one there to [D] hear
[G] Comes around the fall, I've [C] pretty much said it all
[G] She'll do all the [D] talking for another [G] year

CHORUS:

She's [G] living large in Gracefield, in the [C] summertime it's grand
[G] Soaking up the sunshine by the [D] water on the sand
[G] Living large in Gracefield, as [C] wild as she can be
But [G] when the summer's over, man, she'll [D] come on home to [G] me [G]↓↓
