[G] They put a parking lot on a piece of land
[D] Where the super-[D7]market used to [G] stand
[G] Before that they put up a bowling alley
[D] On the side that used to [D7] be the local [G] pally
[C] That's where the big bands [G] used to come and play
[D] My sister went there [G] on a Saturday

Come [C] dancing, all her boyfriends [G] used to come and call
[G] Why not come [D7] dancing, it's [C]↓ only natural

[G] Another Saturday, another date
[D] She would be ready but she'd [D7] always make him [G] wait
[G] In the hallway, in anticipation
[D] He didn't know the night would [D7] end up in fru-[G]stration
[C] He'd end up blowing all his [G] wages for the week
[D] All for a cuddle and a [G] peck on the cheek

Come [C] dancing, that's how they did it when [G] I was just a kid
[G] And when they said come [D7] dancing, my [C]↓ sister always did

[G] / [G] / [D] / [D7][G] /
[G] / [G] / [D] / [D7][G]

My [Em] sister should have [D] come in at [C] midnight
And my [Em] mum would always [D] sit up and [C] wait
It [Em] always ended [D] up in a [C] big row
When my [Em] sister used to [D] get home [C] late

[G] Now I'm grown up and playing in a band
[D] And there's a carpark where the **[D7]** pally used to **[G]** stand
[G] My sister's married and she lives on an estate
[D] Her daughters go out, now **[D7]** it's her turn to **[G]** wait
[C] She knows they get away with **[G]** things she never could
[D] But if I offered, I **[G]** wonder if she would

Come **[C]** dancing, come on sister **[G]** have yourself a ball
