Your **[Am]** breath is sweet
Your eyes are like two **[G]** jewels in the sky
[F] Your back is straight, your hair is smooth
On the **[E7]** pillow where you lie
[Am] But I don't sense affection
[G] No gratitude or love
[F] Your loyalty is not to me
But **[E7]** to the stars above

[F] One more cup of coffee for the **[E7]** road
[F] One more cup of coffee 'fore I / **[E7]** go **[E7]**↓
To the valley be-/**[Am]**low / **[G] / [F] / [E7]**

Your **[Am]** daddy he's an outlaw
And a **[G]** wanderer by trade
[F] He'll teach you how to pick and choose
And **[E7]** how to throw the blade
[Am] He oversees his kingdom
[G] So no stranger does intrude
[F] His voice it trembles as he calls out
For a-**[E7]**nother plate of food

[F] One more cup of coffee for the **[E7]** road
[F] One more cup of coffee 'fore I / **[E7]** go **[E7]**↓
To the valley be-/**[Am]**low / **[G] / [F] / [E7]**

Your **[Am]** sister sees the future
[G] Like your mama and yourself
[F] You've never learned to read or write
There's **[E7]** no books upon your shelf
And your **[Am]** pleasure knows no limits
Your **[G]** voice is like a meadowlark
But your **[F]** heart is like an ocean
My-**[E7]**sterious and dark

[F] One more cup of coffee for the **[E7]** road
[F] One more cup of coffee 'fore I / **[E7]** go **[E7]**↓
To the valley be-/**[Am]**low / **[G] / [F] / [E7]**
