

Say Hey (I Love You)

Michael Franti and Carl Young 2008 (recorded by Michael Franti & Spearhead)

INTRO: / 1 2 / 1 2 /

[Bb] / [Bb] / [Bb] / [Bb] /
[Eb] / [Eb] / [Bb] / [Bb] /
[Bb] / [Bb] / [Bb] / [Bb]

CHORUS:

I say [Bb] hey, I'll be gone today, but I'll be back around the way
It [Eb] seems like everywhere I go, the [Bb] more I see the less I know
But [F] I know [Eb] one thing, that I [Bb] love you [Bb]
I [F] love you, I [Eb] love you, I [Bb] love you [Bb]

I've [Bb] been a lot of places all a-[Bb]round the way
I've [Bb] seen a lot of joy, and I've [Bb] seen a lot of pain
But I don't [Eb] want to write a love song [Eb] for the world
I just [Bb] want to write a song about a [Bb] boy and a girl
[Bb] Junkies on the corner always [Bb] callin' my name
And the [Bb] kids on the corner playin' [Bb] ghetto games
When I [Eb] saw you gettin' down, girl, I [Eb] hoped it was you
And when I [F]↓ looked into your eyes, I [F]↓ knew it was true

CHORUS:

I say [Bb] hey, I'll be gone today, but [Bb] I'll be back around the way
[Eb] Seems like everywhere I go, the [Bb] more I see the less I know
But [F] I know [Eb] one thing, that I [Bb] love you [Bb]
I [F] love you, I [Eb] love you, I [Bb] love you [Bb]

Now [Bb]↓ I'm not a highly metaphysical man
But I [Bb] know when the stars are a-[Bb]ligned you can
[Eb] Bump into a person in the [Eb] middle of the road
[Bb] Look into their eyes, and you [Bb] suddenly know
[F] Rockin' in the dance hall [Eb] movin' with you
[Bb] Dancin' in the night in the [Bb] middle of June
[F] My mamma told me [Eb] don't lose you
[Bb]↓ 'Cause the best luck I [Bb]↓ had was you

CHORUS:

I say [Bb] hey, I'll be gone today, but I'll be back around the way
It [Eb] seems like everywhere I go, the [Bb] more I see the less I know
But [F] I know [Eb] one thing, that I [Bb] love you [Bb]
I [F] love you, I [Eb] love you, I [Bb] love you [Bb]

BRIDGE:
