Well, I [D] don't know if I'm up for this fight
I got the [D] feelin' I'm trapped, it ain't right
I'm so [G7] scared this nasty bug in the air
And I'm [D] wonderin' how I'll soon dye my hair
[A7] Cat hair to left of me [C] dog fur to the [G] right
Here I [D] am, stuck in this house here with you

Yes, I'm [D] stuck in this house here with you
And I'm [D] wonderin' how I'll wipe off my poo
It's our [G7] way we can help the human race
We just [D] have to hunker down, stay in place
[A7] Snores to left of me [C] Dad jokes to my [G] right
Here I [D] am, stuck in this house here with you

Well, we [G] started isolation
And you're [G] sad that you're a hungry man [D]
[D] And the [G] outside world is callin'
[G] Stop you in your tracks and say
[D]↓ Ple-e-e-e-e-ease (two metres back)
[A7]↓ Ple-e-e-e-e-ease (two metres back!)

[D] / [D] / [D] / [D]

Well we're [D] tryin' to make the best of it all
As we [D] roll around inside of these walls
I sup-[G7]pose we're better off than before
'Cause you're [D] someone that I truly adore
[A7] Beauty to the left of me [C] handsome to the [G] right
Here I [D] am, stuck in this house here with you

'Cause I'm [D] stuck in this house here with you
[D] Stuck in this house here with you
Here I [D] am stuck in this house here with you [D]²↓ [D]²↓
