

Has Anybody Seen My Skates

Lennie Gallant 2014

INTRO: / 1 2 / 1 2 /

[D] / [D] / [D] / [D] /
[D] / [D] / [D] / [D]

CHORUS:

Has [D] anybody seen my skates
Would you [D] help me look, I don't [A] wanna be late
I [G] hung them in the corner where I [D] thought they'd be safe
I [D] guess it was my mis-[A]take

[D] Anybody seen my skates
They're a [D] little bit dull, maybe [A] out of date
I [G] hung them in the corner where I [D] thought they'd be safe
Has [A] anybody seen my [D] skates [D]

I re-[D]member as a kid on a pond at night
Made a [D] hole in the ice by the [A] half moonlight
With a [G] bucket and a shovel and a [D] bit of frostbite
[D] We'd flood a rink out [A] there [A]

The [D] next day everybody came to play
It was a [D] Hab's and a Maple Leaf's [A] sweater day
Three [G] Jean Béliveaus on a [D] power play
That [D] Johnny Bower had no [A] chance [A]

CHORUS:

Has [D] anybody seen my skates
Would you [D] help me look, I don't [A] wanna be late
I [G] hung them in the corner where I [D] thought they'd be safe
Has [A] anybody seen my [D] skates [D]

I [D] played left wing and I wasn't bad
And [D] people said I moved just [A] like my dad
And [G] I like hearing that be-[D]cause he had
A [D] wicked shot from the [A] point [A]

[D] Shiverin', buttoned up to his chin
He [D] never missed a game, that [A] I was in
I [G] don't know if I ever [D] told him
How [D] glad I was for [A] that [A]

CHORUS:

[D] Anybody seen my skates
 Would you [D] help me look, I don't [A] wanna be late
 I [G] hung them in the corner where I [D] thought they'd be safe
 Has [A] anybody seen my [D] skates [D]

We were [D] up against a big school with a name
 But we [D] put our very souls [A] in that game
 And when [G] Richard got a breakaway [D] we became
 All [D] heroes for one [A] night [A]

When [D] I come home at Christmastime
 And [D] have a beer with old [A] friends of mine
 We [G] still talk about the dirty [D] daylight
 And [D] how we should have won that [A] cup [A]

CHORUS:

Has [D] anybody seen my skates
 Would you [D] help me look, I don't [A] wanna be late
 I [G] hung them in the corner where I [D] thought they'd be safe
 Has [A] anybody seen my [D] skates [D]

[Em] / [D] / [G] / [A] /
 [Em] / [D] / [G] / [A] / [A] / [A] / [A]↓

There's a [D] little boy waitin' down by the pond
 The [D] same one that I [A] once learned on
 His [G] momma told him that I wouldn't [D] be too long
 I [D] had to go and find my [A] skates [A]↓

CHORUS:

Has [D] anybody seen my skates
 Would you [D] help me look, I don't [A] wanna be late
 I [G] hung them in the corner where I [D] thought they'd be safe
 I [D] guess it was my mis-[A]take

[D] Anybody seen my skates
 They're a [D] little bit dull maybe [A] out of date
 I [G] hung them in the corner where I [D] thought they'd be safe
 Has [A] anybody seen my / [D] / [D]↓ skates
