< We love KEY CHANGES! >

< Singing note: G >

INTRO: / 1 2 / 1 2 / **[G]**↓ 2 / 1

We waited **[C]** all **[G]** through the **[Am]** year **[C]**
For the **[Dm]** day **[C]** to ap-**[G]**pear **[G]**
When **[C]** we could **[E7]** be to-**[Am]**gether **[Am7]** in harmo-**[G]**ny **[G]**
You **[C]** know the **[G]** time will **[Am]** come **[C]**
Peace on **[Dm]** earth for **[C]** every-**[G]**one **[G]**
And **[C]** we can **[E7]** live for-**[Am]**ever **[Am7]**
In a **[Dm]** world where we are **[Dm]** free
Let it **[F]** shine for you and **[G]** me **[G]**↓

CHORUS:

There's **[C]** something about **[C]** Christmas time
[F] Something about **[F]** Christmas time
That **[C]** makes you wish it was **[Am]** Christmas every **[G]** day **[G]**
To **[C]** see the joy in the **[C]** children's eyes
[F] The way that the **[F]** old folks smile
[C] Says that Christmas will **[F]** never **[G]** go a-**[C]**way **[C]**↓

We're **[C]** all as **[G]** one to-**[Am]**night **[C]**
Makes no **[Dm]** difference, if you're **[C]** black or **[G]** white **[G]**
'Cause **[C]** we can **[E7]** sing to-**[Am]**gether **[Am7]** in harmo-**[G]**ny **[G]**
I **[C]** know it's **[G]** not too **[Am]** late **[C]**
The world would **[Dm]** be a **[C]** better **[G]** place **[G]**
If **[C]** we can **[E7]** keep the **[Am]** spirit **[Am7]**
More than **[Dm]** one day in the **[Dm]** year
Send a **[F]** message loud and **[G]** clear **[G]**↓

CHORUS:

There's **[C]** something about **[C]** Christmas time
[F] Something about **[F]** Christmas time
That **[C]** makes you wish it was **[Am]** Christmas every **[G]** day **[G]**
To **[C]** see the joy in the **[C]** children's eyes
[F] The way that the **[F]** old folks smile
[C] Says that Christmas will **[F]** never **[G]** go a-**[C]**way **[C]**

BRIDGE:

It's the **[G]** time of year, when **[G]** everyone's to-**[C]**gether **[C]**
We'll **[G]** celebrate **[G]** here on **[F]** Christmas **[C]** day **[C]**
When the **[Am]** ones you love are **[Am]** there
You can **[D7]** feel... the **[D7]** magic in the **[G]** air **[G]**
You know it's **[G]** every-**[G7]**where
