[Am] The summer sun is fading as the [G] year grows old [G]
/ [F] And [C] darker / [Dm] days are [C] drawing / [G] near / [G] /
[F] The winter winds will be much [G] colder [G]↓
Now you're not

[F] I wish that I was flying [G] with them [G]↓
Now you're not [Am] here [Am]

/ [F] Like a [C] song through the / [Bb] trees you came to [Am] love me [Am]
/ [F] Like a [C] leaf on a / [Bb] breeze you blew a-[Am]way [Am] / [Dm] / [Dm]↓

[Am] Through autumn's golden gown we used to [G] kick our way [G]
/ [F] You [C] always / [Dm] loved this [C] time of / [G] year / [G] /
[F] Those fallen leaves lie undis-[G]turbed now [G]↓

[Am] A gentle rain falls softly on my [G] weary eyes [G]
 / [F] As [C] if to / [Dm] hide a [C] lonely / [G] tear / [G] /
 [F] My life will be forever [G] autumn [G]↓
