[C] / [F] / [C] / [G] /  
[C] / [F] / [C] / [G] /

[C] Long road [G] dark night [C] nothin' but [F] headlights  
[F] I'll see some [C] bright lights, when I [Am] get home to [G] you  
[C] Framed in your [F] doorway with your [C] arms open [G] wide  
I'll [C] hold you in [Am] my arms, en-[F]fold you in-[G]side

## CHORUS:

And [F] I want to [C] tell you  
Come [Am] rain or come [G] shine  
That I'll [C] always be [F] your love  
If you'll [G] always be [C] mine [F] / [C] / [G] /

[C] / [F] / [C] / [G] /

[C] Sometimes I [F] wonder what [C] you see in [G] me  
Is it [C] someone you're [Am] wishin' or [F] hopin' I'll [G] be?  
[C] Sometimes I [F] wonder, I [C] can't help my-[G]self  
Will [C] your love go [Am] someplace with [F] somebody [G] else?

## CHORUS:

And [F] I want to [C] tell you  
Come [Am] rain or come [G] shine  
That I'll [C] always be [F] your love  
If you'll [G] always be [C] mine  
And [F] I want to [C] tell you  
Come [Am] rain or come [G] shine  
That I'll [C] always be [F] your love  
If you'll [G] always be [C] mine [F] / [C] / [G] /

[C] / [F] / [C] / [G] /

[C] Sometimes you [F] wonder what [C] I see in [G] you  
Just [C] picture the [Am] sun on an [F] ocean of [G] blue  
[C] Picture that [F] ocean so [C] deep and so [G] wide  
Feel the [C] sun on the [Am] water, and the [F] pull of the [G] tide

**CHORUS:**

And [F] I want to [C] tell you  
Come [Am] rain or come [G] shine  
That I'll [C] always be [F] your love  
If you'll [G] always be [C] mine

And [F] I want to [C] tell you  
Come [Am] rain or come [G] shine  
That I'll [C] always be [F] your love  
If you'll [G] always be [C] mine [F] / [C] / [G] /
