

Has Anybody Seen My Skates

Lennie Gallant 2014

INTRO: / 1 2 / 1 2 /

[C] / [C] / [C] / [C] /
[C] / [C] / [C] / [C]

CHORUS:

Has [C] anybody seen my skates
Would you [C] help me look, I don't [G] wanna be late
I [F] hung them in the corner where I [C] thought they'd be safe
I [C] guess it was my mis-[G]take

[C] Anybody seen my skates
They're a [C] little bit dull, maybe [G] out of date
I [F] hung them in the corner where I [C] thought they'd be safe
Has [G] anybody seen my [C] skates [C]

I re-[C]member as a kid on a pond at night
Made a [C] hole in the ice by the [G] half moonlight
With a [F] bucket and a shovel and a [C] bit of frostbite
[C] We'd flood a rink out [G] there [G]

The [C] next day everybody came to play
It was a [C] Hab's and a Maple Leaf's [G] sweater day
Three [F] Jean Béliveaus on a [C] power play
That [C] Johnny Bower had no [G] chance [G]

CHORUS:

Has [C] anybody seen my skates
Would you [C] help me look, I don't [G] wanna be late
I [F] hung them in the corner where I [C] thought they'd be safe
Has [G] anybody seen my [C] skates [C]

I [C] played left wing and I wasn't bad
And [C] people said I moved just [G] like my dad
And [F] I like hearing that be-[C]cause he had
A [C] wicked shot from the [G] point [G]

[C] Shiverin', buttoned up to his chin
He [C] never missed a game, that [G] I was in
I [F] don't know if I ever [C] told him
How [C] glad I was for [G] that [G]

CHORUS:

[C] Anybody seen my skates
 Would you [C] help me look, I don't [G] wanna be late
 I [F] hung them in the corner where I [C] thought they'd be safe
 Has [G] anybody seen my [C] skates [C]

We were [C] up against a big school with a name
 But we [C] put our very souls [G] in that game
 And when [F] Richard got a breakaway [C] we became
 All [C] heroes for one [G] night [G]

When [C] I come home at Christmastime
 And [C] have a beer with old [G] friends of mine
 We [F] still talk about the dirty [C] daylight
 And [C] how we should have won that [G] cup [G]

CHORUS:

Has [C] anybody seen my skates
 Would you [C] help me look, I don't [G] wanna be late
 I [F] hung them in the corner where I [C] thought they'd be safe
 Has [G] anybody seen my [C] skates [C]

[Dm] / [C] / [F] / [G] /
 [Dm] / [C] / [F] / [G] / [G] / [G] / [G] ↓

There's a [C] little boy waitin' down by the pond
 The [C] same one that I [G] once learned on
 His [F] momma told him that I wouldn't [C] be too long
 I [C] had to go and find my [G] skates [G] ↓

CHORUS:

Has [C] anybody seen my skates
 Would you [C] help me look, I don't [G] wanna be late
 I [F] hung them in the corner where I [C] thought they'd be safe
 I [C] guess it was my mis-[G]take

[C] Anybody seen my skates
 They're a [C] little bit dull maybe [G] out of date
 I [F] hung them in the corner where I [C] thought they'd be safe
 Has [G] anybody seen my / [C] / [C] ↓ skates
