## **These Boots Are Made For Walkin'**

# Time After Time

A diagram showing six chord diagrams for a guitar neck. The chords are Am, C, Csus4, Em7, F, and G. Each diagram shows the fretboard with dots indicating where to press the strings. The Am chord has dots at the 1st and 3rd strings on the 2nd fret. The C chord has a dot at the 2nd string on the 2nd fret. The Csus4 chord has dots at the 1st and 3rd strings on the 2nd fret. The Em7 chord has dots at the 1st and 3rd strings on the 2nd fret. The F chord has dots at the 1st and 3rd strings on the 2nd fret. The G chord has a dot at the 2nd string on the 2nd fret.

## The Water Bill

The diagram displays four chord shapes on a standard six-string guitar neck. The first chord, labeled 'C', has its third string muted. The second chord, labeled 'C7', includes the third string. The third chord, labeled 'F', has its fifth string muted. The fourth chord, labeled 'G', has its fourth string muted.

You And I

The image displays six standard guitar chords arranged horizontally. Each chord is represented by a small diagram of a guitar neck with dots indicating where to press the strings. The chords are: Am (three dots on the first string), C (two dots on the second string), Csus4 (two dots on the second string and one on the third), D7 (three dots on the second string), E7 (two dots on the third string), and F (two dots on the third string). The names of the chords are printed in black text above their respective diagrams.

## You've Got To Hide Your Love Away

A diagram illustrating six common guitar chords: Asus4, C, D, Dsus4, F, and G. Each chord is represented by a vertical six-string guitar neck with dots indicating where to press the strings. The chords are arranged horizontally from left to right.
