You were [G] there when [Gsus4] I was [G] fallin'
You were [G] there when I [Gsus4] fell in [G] love
You were [G] there when [Gsus4] I was [G] thinkin' through
All them [C] things I's thinkin' [G] of
You were [G] always [Gsus4] right be-[G]side me
[G] Never [Gsus4] out of [G] sight
You [G] turned my [Gsus4] never-[G]evers into
[C] Maybe I just [G] might

CHORUS:

Your [D] pearly gates fly open
When I [C] bow my head and [G] pray
My [D] thunder turns to lightnin'
You rain [C] sunshine on my [G] day
When that [Am] melody's in [G] me
I can [C] hear your choir [D] sing / [D] / [D]↓

When I'm [G] left all [Gsus4] by my [G] lonesome
You [G] know just [Gsus4] how I [G] feel
[G] When I'm [Gsus4] down, you [G] come around
My [C] corner on two [G] wheels
And [G] every [Gsus4] time I [G] tell the truth
You [G] catch me [Gsus4] in a [G] lie
[G] Every [Gsus4] time I [G] try to run
You [C] just won't [D7] let me [G] hide

CHORUS:

Your [D] pearly gates fly open
When I [C] bow my head and [G] pray
