INTRO: / 1 2 / 1 2 / [F] / [F] / [Bb] / [C]↓

[F] Here I sit
[F7] Watching the sun [F7]
As it [Bb] slowly [Bbm] rises in the [F] sky / [F][Fsus4][F] /
[F] The air is clear
The [F7] day has just begun
Birds are [Bb] singing [Bbm] as they're flying [F] by / [F/C][F]

I [Bb] know I don't know [C] birds that well
But they [F] always seem to [F7] sing about love [Bb] / [Bb]
I [Bbm] really wish that [F] they could tell [F]
How it / [C] looks like [B]↓ / [C]
How it [Bb] looks like [B]↓ / [C]↓
From a-[F]bove / [Fsus4][C7sus4] / [F][C7sus4]↓ / [F]↓

[F] Here I go
[F7] I'm on my way [F7]
I'm [Bb] searching for a [Bbm] song that makes me [F] smile / [F][Fsus4][F] /
[F] The sun is high
The [F7] birds are out to play
They are [Bb] singing, and I [Bbm] listen for a while [F] / [F]

Well I [Bb] know I don't know [C] birds that well
But they [F] always seem to [F7] sing in harmo-[Bb]ny [Bb]
And it [Bbm] sounds to me as [F] they would tell [F]
What it / [C] feels like [B]↓ / [C]
How it [Bb] feels like [B]↓ / [C]↓
To be [F] free / [Fsus4][C7sus4] / [F][C7sus4]↓ / [F]↓

< SLOW SOFT downstrums on every beat or you can fingerpick >
[F] Now I sit
[F7] Watching the moon
And I [Bb] think of all the [Bbm] love we try to [F] hide [F]
The [F] nightingale sings
Its [F7] favourite tune
It [Bb] doesn't need to [Bbm] share our foolish **< A TEMPO >** [F] pride [F]

Well I [Bb] know I don't know [C] birds that well
But they [F] always seem to [F7] sing about love [Bb] / [Bb]
If we'd [Bbm] listen, maybe [F] they could tell [F]
How it / [C] feels like [B]↓ / [C]
How it [Bb] feels like / [Bb]↓[B]↓[C]↓ up a-/[F]bove / [Fsus4] / [F] / [F7]
How it [C]↓ feels like / 1 [C]↓ How [B]↓ it / [Bb]↓ feels like [Bb]↓ / [C]↓
To be [F] loved / [F]↓[Fsus4]↓[F]↓ /
