CHORUS:

[G] Whiskey's gone from the [D] kitchen, my love

[C] Whiskey's gone from the [G] kitchen

[G] Lulu's puttin' her [D] black dress on

'Cause [C] whiskey's gone from the [G] kitchen [G]

[G] Went for a walk down the [Em] hallway last night

And [C] I don't know about [G] you son

But [G] I've never seen such a [Em] terrible sight

'Cause [C] whiskey's gone from the [G] kitchen

CHORUS:

[G] Whiskey's gone from the [D] kitchen, my love

[C] Whiskey's gone from the [G] kitchen

[G] Lulu's puttin' her [D] black veil on

'Cause [C] whiskey's gone from the [G] kitchen [G]

It's [G] usually up there in plain [Em] sight on the shelf

[C] I like it when I can [G] see her

[G] I take her down once in a [Em] while for my health

But now [C] whiskey's gone from the [G] kitchen

CHORUS:

[G] Whiskey's gone from the [D] kitchen, my love

[C] Whiskey's gone from the [G] kitchen

[G] Lulu's puttin' her [D] black gloves on

'Cause [C] whiskey's gone from the [G] kitchen [G]

INSTRUMENTAL:

[G] Lulu's puttin' her [D] black gloves on

'Cause [C] whiskey's gone from the [G] kitchen

[G] Someone has taken my [Em] whiskey away

[C] Never a worse thing could [G] be done

Someone [G] better be sorry cause some-[Em]one's gonna pay

Now that [C] whiskey's gone from the [G] kitchen

CHORUS:

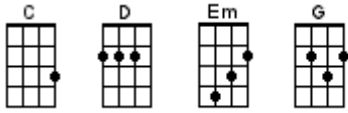

[G] Whiskey's gone from the [D] kitchen, my love

[C] Whiskey's gone from the [G] kitchen

[G] Lulu's puttin' her [D] black boots on

'Cause [C] whiskey's gone from the [G] kitchen

Yeah **[G]** whiskey's gone from the **[D]** kitchen, my love
[C] Whiskey's gone from the **[G]** kitchen
And **[G]** Lulu's puttin' her **[D]** black suit on
