Well, I'm **[G]** wilder than her **[D]** what else can I say
But **[C]** I guess that's why, she **[G]** fell in love with **[D]** me
[G] She's a house on fire **[D]** she got all those charms
[C] I'm a house on fire too, but **[G]** I got four a-**[D]**larms

CHORUS:
And I'm **[G]** wilder than her, it drives her **[D]** out of her mind
I **[C]** guess she thought that she, was just **[G]** one of a **[D]** kind
But **[G]** she's a summer storm **[D]** I'm a hurricane
[C] One just blows through town, one **[G]** blows the town a-**[D]**way
And I'm **[G]** wilder than **[Gsus4]** her **[G]** / **[Gsus4]**

When we go **[G]** drivin' in our cars **[D]** racin' through the night
[C] She can drive as fast as me but she **[G]** stops at all the **[D]** lights
She **[G]** says it's 'cause I'm crazy, she's **[D]** probably right
But **[C]** I think that the reason is that **[G]** I'm twice as **[D]** wild

CHORUS:
Because I'm **[G]** wilder than her, it drives her **[D]** out of her mind
I **[C]** guess she thought that she, was just **[G]** one of a **[D]** kind
But **[G]** she's a summer storm **[D]** I'm a hurricane
[C] One just blows through town, one **[G]** blows the town a-**[D]**way
And I'm **[G]** wilder than her **/ [G] / [G7]**

BRIDGE:
But **[C]** when she takes my hand, and she **[G]** looks me in the **[G7]** eye
[C] I see something that I never **[G]** seen in my **[D]** life **[D]**

[G] She takes the fire **[D]** turns it down low
[C] She takes the night, and **[G]** makes it not so **[D]** cold
[G] She takes the distance, and **[D]** breaks it into miles
[C] She makes my life, just a **[G]** little less **[D]** wild

CHORUS:
Because I'm **[G]** wilder than her, it drives her **[D]** out of her mind
I **[C]** guess she thought that she, was just **[G]** one of a **[D]** kind
But **[G]** she's a summer storm **[D]** I'm a hurricane
[C] One just blows through town, one **[G]** blows the town a-**[D]**way
And I'm **[G]** wilder than **[Gsus4]** her **[G]** / **[Gsus4]** /
