

You Took The Words Right Out Of My Mouth (Hot Summer Night)

Jim Steinman 1977 (recorded by Meat Loaf – his first solo single)

On a hot summer night would you offer your throat to the wolf with the red roses?

Will he offer me his mouth? Yes

Will he offer me his teeth? Yes

Will he offer me his jaws? Yes

Will he offer me his hunger? Yes

Again, will he offer me his hunger? Yes!

And will he starve without me? Yes!

And does he love me? Yes Yes

On a hot summer night would you offer your throat to the wolf with the red roses?

Yes

I bet you say that to all the boys
