Trailer Park Boys 2021 (sung to the tune of Wellerman, Traditional New Zealand folk song c. 1860-70)

INTRO: / 1 2 / 1 2 / [Am] / [Am]

There [Am] once was a cat with a hungry belly
And the [Dm] name of the cat was [Am] Whiskers Jelly
His [Am] throat was dry and his bowl was bare
[E7] meow, my furry cats, [Am]↓ meow, huh!

CHORUS:

[F] Soon may the [C] Kittyman come
With [Dm] birds and mice and some [Am] tasty nums
[F] One day, when the [C] critters come
We'll [E7] eat 'til our bellies are [Am] full

Well, [Am] Jelly got his boys and they gathered 'round
They [Dm] scattered seeds from a [Am] sack they found
In [Am] hopes the seeds they spread on the ground
Would [E7] bring small critters a-[Am]↓boot, huh!

CHORUS:

[F] Soon may the [C] Kittyman come
With [Dm] birds and mice and some [Am] tasty nums
[F] One day, when the [C] critters come
We'll [E7] eat 'til our bellies are [Am] full

Well the [Am] gang was bored and morale had dipped
'Til [Dm] one of the seeds grew [Am] green catnip
They [Am] sniffed and they snacked and they all got ripped
They [E7] all had a meow that [Am]↓ night, huh!

CHORUS:

[F] Soon may the [C] Kittyman come
With [Dm] birds and mice and some [Am] tasty nums
[F] One day, when the [C] critters come
We'll [E7] eat 'til our bellies are [Am] full

Well their [Am] heads were hung when the morn was nigh
The [Dm] nip was strong and they [Am] all got high
Their [Am] bellies were shrunk and their bowls dtill dry
Oh [E7] bring us some mice to-[Am]↓day, huh!

CHORUS:

[F] Soon may the [C] Kittyman come
With [Dm] birds and mice and some [Am] tasty nums
[F] One day, when the [C] critters come
We'll [E7] eat 'til our bellies are [Am] full
