

# Long Way Home

Tom Waits, Kathleen Brennan 2004 (as recorded by Norah Jones)

**INTRO:** / 1 2 3 4 / [G] / [G] / [G] / [G]

Well I [G] stumbled in the darkness  
I'm [G] lost and alone  
[G] Though I said I'd go before us [G]  
And [G] show the way back [Em] home [Em]  
Is there a [C] light up a-[D]head?  
I [G] can't hold on very [C] long [C]  
For-[G]give me pretty baby  
But I [D7] always take the long way [G] home [G]↓

Money's just [G] something you throw  
Off the [G] back of a train  
[G] I got a head full of lightning [G]  
And a [G] hat full of [Em] rain [Em]  
And I [C] know that I [D] said  
I'd [G] never do it a-[C]gain [C]  
Oh well I [G] love you sweet baby  
But I [D7] always take the long way [G] home [G]

I put [G] food on the table  
And a [G] roof overhead  
[G] But I'd trade it all tomorrow [G]  
For the [G] highway in-[Em]stead [Em]  
Watch your [C] back, if I should [D] tell  
Your [G] love's the only thing I'd ever [C] known [C]  
One thing's for [G] sure sweet baby  
I [D7] always take the long way [G] home [G]

## **INSTRUMENTAL:**

[D] Mmmm, mm-[D]mmmm [C] mmmm [G] mmmm  
[C] Mmmm-mm-[C]mmmm, mm-mm-[D7]mmmm [D7]

You know I love you [G] baby [G]  
[G] More than the whole wide world [G]  
I'm your [G] woman [G]  
You [G] know you are my [Em] pearl [Em]  
So let's go [C] out past the party [D] lights  
Where [G] we can finally be a-[C]lone [C]  
Come with [G] me, and [D] we can take the long way [G] home  
Mm-mm-[C]mmm, come with [G] me, together  
[D] We can take the long way [G] home  
Mm-mm-[C]mmm, come with [G] me, together  
[D7] We can take the long way [G] home [C] / [G] / [D] / [G]↓
